

YOURSTAGE NEWS

Yourstage Rockstars wow us all!

The Yourstage Rockstar Show Day began at 9.30am with an adorable but brilliantly performed extravaganza from our Tots. It was lovely to see how much some of the children have grown in confidence. Happy smiley faces reigned throughout.

The 6 to 16 year olds also did us proud with an incredible show, entirely scripted and choreographed by our talented Yourstage Saturdays teachers, Bethany and Tom.

There were some truly outstanding performances and the 'air guitars' added a fun element. We had the cast dancing in the aisles in a stunning finale. All the students played their roles brilliantly and best of all was to see their happy faces beaming at the end.

Now we look forward to starting preparations for our big Buggy Malone production next July. If they can produce what they did for the Rockstars show last Saturday after just 9 weeks, it is exciting to look forward to what they can achieve in two terms!

WE ARE NOW OFSTED REGISTERED!
